OPERATING PROCEDURE

OP.10: ISSUE 01

WARRANTY STATEMENT

All Dewey Waters Limited products are fully warranted in respect of workmanship and materials for twelve months from the date of installation. Outside this period Dewey Waters Limited will investigate and rectify problems upon request but reserve the right to make a charge for these services to be determined at the time. Extended warranties are available by negotiation.

It would be expected under normal conditions of service that Dewey Waters Limited GRP potable water storage tanks and static associated peripherals would have a maintenance free service life in excess of twenty years. Moving parts, such as valves, would be expected to require servicing / replacement as recommended by the manufacturer thereof.

Operation and maintenance statements for sectional and one piece GRP potable water storage tanks are available from Dewey Waters Limited.
